

Department of Agriculture,

Washington, D. C., March 29, 1880.

To the Superintendent of the United States Mint
Philadelphia, Penna

Sir:

I have taken the liberty to forward to your address by express this day, a gold medal awarded at the late Paris Exposition to Mr Luman P. Clarke of Vermont for fine merino wool, and upon which appears by mistake the name of Ephraim B. Clarke, an exhibitor of Indian corn, who received a bronze medal. It is our desire before transmitting the medal to Mr. Luman P. Clarke, to have the name at present appearing upon the medal removed and his own name substituted in the same style, and I write to ask if you can cause this to be done for us. The expense of the operation will be defrayed by Mr. Albert Chapman of

of Middlebury, Vermont, Secretary of
the Vermont Sheep Breeders' Association

If this change in the name can be made
at your mint I shall consider it an es-
pecial favor to this Department.

Very respectfully
